RESTRICTIONS:

Space for assembly line.

INSTRUCTIONS:

1. Set up items into an assembly line.
2. Place one of each item in a bag.
3. Make a card for recipient and put into the bag.
4. Volunteers should take bags to put into their cars and give away to individuals who are asking for help in lieu of (or in addition to) giving money. The bags contain items that someone with limited resources can use for immediate needs.
